Licensed Psychologist HSP #7865 July 17, 2001 – September, 2010

**Certificate of Professional Qualification in Psychology**

Association of State and Provincial Psychology Boards  
Certificate #4127 May 16, 2008 – Present

**EDUCATION AND HONORS**

**The Psychoanalytic Institute of New England, East (PINE), Boston, MA**

Candidate, psychoanalytic training: September, 2002 – March, 2007

**The Catholic University of America, Washington, D.C.**

Ph.D. in Clinical Psychology: Completed 2000 (APA Accredited)

M.A. in Clinical Psychology: Completed 1997 (APA Accredited)

Thomas Verner Moore Board of Trustees Graduate Scholarship Award: 1994-97

*Areas of Specialization: Developmental Psychopathology; Adolescent Suicidality and Family Functioning; Couples Therapy*

**Indiana University, Bloomington, IN**

Masters of Fine Arts (MFA) in Poetry: Completed 1991

**Harvard University, Cambridge, MA**

A.B. in Psychology: June, 1988. *Magna cum laude*. Dean's List: 1984-88.

John Harvard Scholarship: 1987-88. Senior honors thesis in psychology received the Gordon Allport Award for undergraduate research of distinction.

**CLINICAL | PSYCHOTHERAPY EXPERIENCE**

- Clinical Psychologist **Private Practice, Newport Beach, CA**  
February, 2009 – Present
- Private practice in adolescent and adult psychotherapy, couple therapy, parent guidance/family therapy. Also offer psychoeducational groups (Men's Group, Relationship Group, and Parenting Group).
- Consultant **Newport Academy, Orange, CA**  
July, 2009 – Present
- Provide case consultation and parent guidance workshops for family members of adolescents in residential multidisciplinary care for substance abuse, mood disorders, and suicidal ideation/behavior.
- Consultant **Center for Discovery, Los Alamitos, CA**  
July, 2013 – September, 2018
- Provide parent guidance workshops for family members of adolescents in residential multidisciplinary care for a range of psychiatric and behavioral issues.
- Clinical Psychologist **La Paz Psychological Group, Laguna Hills, CA**  
September, 2009 – August, 2015
- Certified by CASOMB to provide assessment and psychotherapy services for adolescent and adult sex offenders on probation in Orange County, CA. Conduct assessment and group therapy for sex offenders and for individuals with issues of sexual compulsivity and addiction.
- Staff Psychologist **The Massachusetts General Hospital, Boston, MA**  
July, 2001 - June, 2008
- Conduct individual psychotherapy (with child, adolescent, and adult outpatients), and couples and group therapy; specialized work in the treatment of addictions.
- Clinical Psychologist **Private Practice, Boston, MA**  
July, 2001 – June, 2008
- Private practice in child, adolescent, and adult psychotherapy, and couples and group therapy.
- Director of Child Group Therapy **The Massachusetts General Hospital, Boston, MA**  
September, 2003 – August, 2006

- Program  
Directed the child group psychotherapy program, including helping psychiatry residents, psychology interns, and staff form and implement group therapies to meet psychiatric demands of clinical populations.
- Clinical Fellow  
**The Massachusetts General Hospital, Boston, MA**  
July, 1999 - June, 2001  
Directors: Sheila O’Keefe, Ed.D.; Dennis Norman, Ed.D.  
  
Training in psychodynamic and cognitive-behavioral approaches to the treatment of child and adult disorders. Received specialized training from Anne Fishel, Ph.D. in couples therapy; Ross Greene, Ph.D. in the treatment of ODD; Suzanne Bender, M.D. in the treatment of psychosomatic presentations, and Martha Kane, Ph.D. in the treatment of addictions. Co-facilitated or led psychotherapy groups for ADHD boys, mood-disordered/socially isolated adolescents, persistently and severely mentally ill adults, and parents of obese teenagers, utilizing activities-based, psychoeducational, cognitive, and psychodynamic approaches. Provided emergent assessment/crisis intervention in the Acute Psychiatry Service of the Emergency Room.
- Trainee  
**The Massachusetts General Hospital (MGH), Boston, MA**  
Post-doctoral Fellowship (Child/Adult Track): Completed June 30, 2001.  
Pre-doctoral Internship (Child/Adult Track): Completed June 30, 2000.  
***Areas of Specialization: Couples and Family Therapy; Group Psychotherapy; Psychodynamic Theory and Technique; Addictions***
- Psychology Extern  
**The Alexandria Mental Health Center, Alexandria, VA**  
September, 1997 - August, 1998  
Supervisor: David Berndt, Ph.D.  
  
Conducted individual, couples, and family therapy with, a multicultural, and largely low-income, client base of children, adolescents, and adults. Led skills-based, psychoeducational groups for foreign-born adults who recently immigrated to this country.
- Psychology Extern  
**Georgetown University Counseling Center, Washington, D.C.**  
August, 1996 - May, 1998  
Supervisors: Jon Frederickson, L.C.S.W.; Kathryn Camicia, Ph.D.; Harriet Basseches, Ph.D.  
  
Conducted intake evaluations of, and individual psychotherapy with, undergraduate and graduate students presenting with various concerns including mood, anxiety, and adjustment disorders, anorexia, identity issues, personality dysfunction, and family discord.
- Psychology Intern  
**The Psychiatric Institute of Washington (Posttraumatic and Dissociative Disorders Program), Washington, D.C.**

May - September, 1997

Supervisors: Anita Rankin, M.A., A.T.R., CPT; Barry Cohen, M.A., ATR-BC; Mary Ann Dutton, Ph.D.

Co-facilitated a therapy group within the outpatient day hospitalization program for patients with PTSD resulting from childhood physical or sexual abuse and/or adult victimization. Supervision emphasized the cognitive-behavioral approach to treating PTSD and dissociative symptoms developed by Joan Turkus, M.D. and Christine Courtois, Ph.D.

Specialized Family  
Therapy Trainee

**The Family Therapy Institute, Rockville, MD**

January - August, 1997

Supervisor: James Keim, L.C.S.W.

Conducted couples and family therapy in the context of a postgraduate training program emphasizing the strategic approach of Jay Haley and Cloe Madanes. Weekly, day-long training occurred in which “live” supervision through the one-way mirror was provided for six training therapists. Special attention was devoted to treating couples, substance-abusing adults, oppositional children, juvenile and adult sex offenders, and child victims of sexual and physical abuse. Co-facilitated a social skills training group for court-referred youth sex offenders.

Adolescent Medicine  
Trainee

**Children’s National Medical Center Eating Disorders Clinic, Wash., D.C.**

June - September, 1996

Supervisor: Darlene Atkins, Ph.D.

Conducted diagnostic evaluations of, and family therapy with, adolescents exhibiting eating disorders (and concomitant depression, anxiety, and OCD) and their family members. Supervision focused on psychodynamic, cognitive-behavioral, and family systems approaches to case formulation and individual and family treatment. Consulted with a multidisciplinary (psychiatric, nursing, social work) team and presented case material at psychiatric Grand Rounds.

Practicum Trainee

**The Catholic University of America Center for Family Psychology, Washington, D.C.**

January - August, 1996

Supervisor: Clifford Notarius, Ph.D.

Participated in the preparation and delivery of two weekend workshops for couples presenting with relational problems and associated communication and conflict resolution difficulties. Workshops consisted of psychoeducational and intensive therapy components, emphasizing a short-term, empirically-validated treatment approach informed by a social-interactional perspective.

## **EXECUTIVE COACHING | ORGANIZATIONAL CONSULTING EXPERIENCE**

Executive Coach/

**Private Practice, Newport Beach, CA**

Consultant

February, 2009 - Present

Approach: Strength-based pragmatic individual coaching, executive development, and team/cultural support directed toward integrating (1) leadership behavior, (2) cultural climate and team performance, and (3) organizational performance/output

Areas of Focus: On-boarding, Transition Coaching, Management, Development and Influence of Direct Reports, Self-awareness/Emotional IQ , Stress Management, Team Building and Group/System Dynamics, Staffing and Selection, and Succession Planning

Industry Experience: Finance/Accounting, Human Resources, IT/Tech, Legal, and Healthcare

Coachee Levels: CEO/President/Chairman level; EVP level; Supervisor level

Recent Projects:

- Individual coaching at the supervisor level re: a family-owned manufacturing company with notable "high-performers" who co-existed in chronic interpersonal conflict, with urgent problems retooling at all levels following the departure of a managing director.
- Individual coaching and team intervention at various levels re: a legal firm in the wake of sexual harassment and employee relations complaints to HR centering on gender stereotyping and workplace expectations.
- Individual coaching with an EVP of an accounting firm re: a pattern of 360-degree feedback suggesting assertiveness and leadership gaps, enabling, and conflict avoidance in the context of his own impatience and growing annoyance with direct reports.
- Individual coaching of a CEO-founder of an IT/tech start-up re: the rapid expansion of personnel demands and strategic initiatives with little background in effectively identifying and developing high-potential individuals and organizational culture.
- Individual coaching with an EVP of a large real estate and investment firm re: succession planning after being laid off in the context of a re-organization.

Associate Consultant

**Prepare to Change, Tustin, CA**

March - September, 2017

Director: Larry Kuhn, Psy.D.

Apprenticed with organizational consulting firm specializing in professional development assessment for candidate analysis and coaching, on-boarding, and training. Focus was on learning the Prepare to Change diagnostic approach which centers on assessing individual performance, interpersonal skills, team effectiveness, customer service orientation, and cultural fit. Focused training received on the 16PF, Hogan Development Survey, Watson Glaser Critical Thinking Appraisal, Hogan Motivation Value Preferences Inventory, and Hogan Business Reasoning Inventory,

Organizational  
Consultant

**Human Technology, Inc., Alexandria, VA**

January, 1998 - January, 2001

Supervisor: David Myers

Conducted individual, group, team, and organization-wide needs assessments to facilitate corporate change initiatives. Designed and implemented training programs, focusing on issues of diversity; alignment of corporate values with personal goals; compensation; management development. Conducted executive coaching.

Career Consultant/  
Executive Coach

**Tom Morris Associates, Inc., Washington, D.C.**

September, 1994 - August, 1997

Supervisor: Tom Morris

Prepared collateral materials used in one-on-one career counseling and corporate workshop presentations on change management.

Organizational  
Consultant

**Cambria Consulting, Inc., Boston, MA**

January, 1993 - July, 1994

Supervisor: Steve Neubert

Designed and implemented workshops and corporate training modules for human resources consulting firm specializing in the enhancement of individual and team performance.

## TEACHING AND SUPERVISION EXPERIENCE

Assistant Professor  
of Clinical Psychology

**American School of Professional Psychology (Psy.D. Program in Clinical Psychology), Orange, CA**

August, 2008 – December, 2018

Serve as core faculty member in the doctoral Psy.D. program in Clinical Psychology. Teach courses in clinical technique, psychoanalytic theory, couple and family therapy, group therapy, adult psychopathology, and therapy and diagnostic practicum. Serve as head of the following Psy.D. program committees: Life-Long Learning Initiative and the Research Institute. Serve as a member of the Student Conduct Committee.

Supervisor **The Argosy University Argosy University Therapeutic Assessment and Psychotherapy Service (AUTAPS)**  
September, 2011 – July, 2018

Serve as individual, couple and group therapy supervisor of Psy.D. students who are providing therapeutic services in a university-based mental health clinic. Founder of the Veterans Group Therapy Program.

Supervisor **Newport Psychoanalytic Institute/Larry Hedges, Ph.D., Orange, CA**  
September, 2009 – August, 2012

Co-supervise with Dr. Hedges a peer consultation group for licensed psychologists engaged in child, adolescent, and adult psychotherapy. Supervision emphasizes psychoanalytic theory and technique.

Clinical Instructor **Harvard Medical School, Boston, MA**  
July, 2001 – June, 2008

Supervise psychiatry residents/fellows and psychology interns (McLean Hospital and Massachusetts General Hospital) in couple and family therapy.

Clinical Instructor **Harvard Medical School, Boston, MA**  
July, 2004 – August, 2006

Supervise psychiatry residents/fellows and psychology interns (McLean Hospital and Massachusetts General Hospital) in group therapy.

Lecturer/Thesis Director **Northeastern University, Boston, MA**  
June - August, 2001; April - June, 2002; April - June, 2003

Lecturer in the department of psychology; taught undergraduate courses in developmental psychopathology and psychotherapy. Directed an undergraduate senior honors thesis on a cross-cultural study of the diagnosis of ADHD.

Guest Lecturer **University of Massachusetts at Boston, Boston, MA**  
February, 2001

Served as a guest lecturer for counseling program's graduate-level course on group psychotherapy. Lecture title: "The Use and Misuse of Interpersonally-oriented Group Psychotherapy"

Teaching Assistant/  
Supervisor

**The Catholic University of America, Washington, D.C.**  
January - June, 1998

Supervised psychological testing and report writing in a course on the intellectual assessment of children and adolescents offered to students in the clinical psychology doctoral program. Also assisted in the teaching of select didactic material (e.g., clinical interviewing techniques; applying psychological testing and interview data to the appropriate diagnosis of DSM-IV childhood disorders).

Course Instructor

**The Catholic University of America, Washington, D.C.**  
January - May, 1997

Taught a comprehensive introductory psychology course to undergraduate students. Delivered lectures, formulated written assignments, and graded exams.

## RESEARCH EXPERIENCE

Clinical Fellow

**The Massachusetts General Hospital, Boston, MA**  
July, 2000 - June, 2001  
Supervisors: J. Stuart Ablon, Ph.D.; Ray Levy, Psy.D.

Served as a clinician in a naturalistic study of short-term psychodynamic treatment of panic disorder. Weekly study group focused on the analysis of audiotaped psychotherapy sessions to identify therapeutic process variables related to positive treatment outcome.

Doctoral Dissertation

**The Catholic University of America, Washington, D.C.**  
"Adolescent Suicide Attempters in the Year Following Hospitalization: Does the Parent-Child Relationship Predict Symptom Relapse and Recurrent Suicidality?"  
Defended: May 2, 2000  
Chairperson: Barry M. Wagner, Ph.D.

Paper documented fluctuations in psychiatric symptoms and suicidal ideation over time in adolescents who made a suicide attempt, and determined the relationship between these fluctuations and parent-child relationship factors.

Research Assistant

**The Children's National Medical Center, Washington, D.C.**  
June, 1996 - December, 1999  
Supervisor: Robert Clyman, M.D.

Assisted in multiple empirical investigations of social cognition and information processing in young maltreated children. Studies centered on the priming of

aggressive and prosocial behavior, children's characterizations of parental figures, and "emotion knowledge." Developed observational coding systems and trained coders to adequate levels of reliability.

Research Associate

**The Catholic University of America Center for Family Psychology, Washington, D.C.**

September, 1994 - May, 2000

Supervisor: Barry M. Wagner, Ph.D.

Participated in all aspects of a NIMH-funded longitudinal study of adolescent suicide attempters and their families. Primary duties included administering protocols of structured and semi-structured interview instruments, managing case assignments, and performing data coding and analyses.

Clinical Interviewer

**The Psychiatric Institute of Washington (Posttraumatic and Dissociative Disorders Program), Washington, D.C.**

May - September, 1997

Supervisor: Mary Ann Dutton, Ph.D.

Administered the Structured Clinical Interview for Disorders of Extreme Stress and the Clinician-Administered Posttraumatic Stress Disorder Scale to the inpatient and day treatment populations as part of a study assessing the diagnostic profiles of patients with PTSD and dissociative and/or personality disturbances. Didactics emphasized practical techniques for managing the delivery of the interview protocol to these patients.

Research Assistant

**The National Institute of Mental Health, Rockville, MD**

September, 1996 - April, 1997

Supervisor: John Richters, Ph.D.

Worked in collaboration with Child and Adolescent Branch Officer on a literature review of empirical claims for the prevention of youth violence and aggression.

Masters Thesis

**The Catholic University of America Center for Family Psychology, Washington, D.C.**

"Why Do Some Securely-Attached Adolescents Attempt Suicide?"

Masters Thesis Accepted: September, 1996

Supervisor: Barry M. Wagner, Ph.D.

This study identified individual and family factors including psychiatric symptomatology, parent-child conflict, and physical and sexual abuse that may be related to deficient coping strategies among securely-attached (as determined by the Adult Attachment Interview) suicidal adolescents.

Clinical Interviewer     **Massachusetts General Hospital, Boston, MA**  
October, 1993 - June, 1994  
Supervisor: Gary Sachs, M.D.

Conducted diagnostic assessments of adults seeking outpatient treatment for Bipolar disorder that included the Family Interview for Genetic Linkage Studies, the Structured Clinical Interview for the DSM-III-R-Patient Version, and the Schedule for Affective Disorders and Schizophrenia, Epidemiologic Version.

Undergraduate  
Honors Thesis     **Harvard University, Cambridge, MA**  
“Fear of Success and Male Threat from Female Competence as Determinants of Interpersonal Behavior”.  
September, 1987 - May, 1988  
Supervisor: Daryl Bem, Ph.D.

This study examined personality and gender variables associated with interpersonal behavior and social perception in cooperative working situations.

## **PSYCHODIAGNOSTIC AND NEUROPSYCHOLOGICAL TESTING EXPERIENCE**

Clinical Fellow     **The Massachusetts General Hospital, Boston, MA**  
July, 1999 - June, 2001  
Supervisors: Dennis Norman, Ed.D.; Gretchen Felopulos, Ph.D.

Conducted comprehensive psychodiagnostic and neuropsychological assessments of child and adolescent outpatients with presenting concerns including oppositional behavior, poor school performance and peer relations due to verbal and nonverbal learning disorders, ADD/ADHD, mood symptomatology, sensory integration deficits, pervasive developmental disorders, and executive functioning deficits. Flexible-battery approach was emphasized, utilizing neurocognitive and personality (objective, projective) instruments. Conducted feedback sessions with parents.

Psychology Extern     **Georgetown University Hospital: Neurology Department, Washington, D.C.**  
June, 1998 - January, 1999  
Supervisors: Mary Beth Quig, Ph.D.; Victoria Starbuck, Ph.D.; Gary Kay, Ph.D.

Conducted comprehensive neuropsychological assessments of adult in- and outpatients with a range of neurological conditions including traumatic brain injury, multiple sclerosis, stroke syndromes, seizure disorders, cortical and

subcortical dementias, and hydrocephalus, as well as concomitant psychiatric symptoms and cognitive deficits secondary to chronic substance abuse.

### EDITORIAL POSITIONS

- Contributing editor of the Argosy University journal, *The Practitioner Scholar: Journal of Counseling and Professional Psychology* (2012 - December, 2018).
- Member of the selection committee for evaluating and editing poster submissions to Division 2 (Society for the Teaching of Psychology) for the 2013 annual conference of the American Psychological Association (APA) (2012 - 2013).
- Editor involved in the peer-review process for the Office of Teaching Resources in Psychology (OTRP)'s Mentoring Service (2012 - 2013).
